			OSHA PEL	NONE	

1. This product is an article that causes no hazardous substance exposure during normal use. EPS does not contain chlorofluorocarbons (CFCs) or Hydrofluorocarbons (HCFCs).

3. HAZARD IDENTIFICATION

OVERVIEW

EPS based acoustical panel products, as sold by RPG, do not present an inhalation, ingestion or skin hazard. However, individual customer processes, (such as field cutting or sanding the surface) may result in the particulate formation that may present a variety of health hazards:

INHALATION: May cause nasal and throat irritation.

EYE CONTACT: May cause mechanical irritation.

SKIN CONTACT: May cause skin irritation.

INGESTION: Not likely to occur.

FIRST AID MEASURES

INHALATION: Remove to fresh air. Get medical attention if irritation persists, severe coughing or breathing difficulty occurs.

EYE CONTACT: Flush eyes with large amounts of water. Remove to fresh air. If irritation persists, get medical attention.

SKIN CONTACT: Wash affected areas with soap and water. Get medical attention if rash or irritation persists or dermatitis occurs.

INGESTION: Not Applicable.

- 4. GENERAL PRODUCT INFORMATION:** This panel product is recyclable. It is the user's responsibility to determine at the time of disposal whether your product meets any applicable criteria for hazardous waste disposal. Disposal must follow applicable federal, provincial, state and local regulations.

Disposal Instructions

If disposed or discarded in its purchased form, ordinary trash collection is acceptable. It is the user's responsibility to determine at the time of disposal whether your product meets RCRA criteria for hazardous waste. Follow applicable federal, state, provincial and local regulations.
