The Whom It May Concern

RPG Acoustical Systems LLC is a responsible manufacturer, among the steps we take to ensure environment and personal health protection, we regularly check our products and materials against Red List Living Building Challenge 4.0

We can confirm that our Plaster products under the RPG brand, including:

- GFRG Golden Pyramid G
- GFRG Harmonix G
- GFRG Omniffusor G74
- GFRG OptiStep G
- GFRG Planarform Biflector G
- GFRG Planarform Wrinkle G
- GFRG Skyline Brix G
- GFRG Skyline G768
- GFRG Waveform (Bicubic G, Biradial G, Monoradial G, Spline G & G3)

Do not contain any of the following:

- Antimicrobials (marketed with a health claim)
- Alkylphenols and related compounds
- Asbestos compounds
- Bisphenol A (BPA) and structural analogues
- California-banned solvents
- Chlorinated Polymers, including:
- Chlorinated poly-ethylene (CPE)
- Chlorinated poly-vinyl chloride (CPVC)
- Chloroprene (neoprene monomer)
- Chlorosulfonated polyethylene (CSPE)
- Polyvinylidene chloride (PVDC)
- Polyvinyl chloride (PVC)
- Chlorobenzenes
- Volatile organic compounds (VOC) (wet-applied products)
- Chlorofluorocarbons (CFC) and hydrochlorofluorocarbons (HCFC)
- Formaldehyde (added)
- Monomeric, polymeric and organophosphate halogenated flame retardants (HFRs)
- Organotin Compounds
- Perfluorinated compounds (PFCs)
- Phthalates (orthophthalates)
- Polychlorinated biphenyls (PCBs)
- Polycyclic aromatic hydrocarbons (PAHs)
- Short-chain and medium-chain chlorinated paraffins
- Toxic heavy metals
- Arsenic
- Cadmium
- Chromium
- Lead (added)
- Mercury

Products are made using Gypsum Plasters and reinforcement sheets only.
